Dispatch Service Agreement

Short form agreement between Nuvil Freight and the Carrier named below

Agreement date	
Carrier legal name	
USDOT and MC numbers	

1 Appointment and relationship

Carrier appoints Nuvil Freight as an independent dispatch service for the limited work stated here. Nuvil Freight is not the Carrier, freight broker, freight forwarder, employer, partner, or joint venturer.

2 Services

At Carrier's direction, Nuvil Freight may search load boards, communicate with licensed brokers, discuss rates and load terms, assist with broker setup, send Carrier documents, coordinate pickup and delivery updates, and support invoicing documents.

3 Carrier control and load approval

Carrier controls its drivers, equipment, routes, safety, hours of service, and all load decisions. Nuvil Freight may accept a load or sign its rate confirmation only after documented Carrier approval for that specific load. Nuvil Freight will not reassign or broker a load to another carrier.

4 Dispatch fee and payment

Carrier will pay Nuvil Freight 4% of gross line-haul and fuel surcharge shown on the rate confirmation for each load booked or materially managed by Nuvil Freight. Lumper, scale, toll, repair, and similar reimbursements are excluded. Invoices are issued weekly and due within 3 business days. Services may be paused while an invoice is overdue.

5 Freight payment

All freight charges must be paid directly to Carrier or Carrier's factoring company. Nuvil Freight will not receive or control broker, shipper, 3PL, or factoring payments.

6 Carrier responsibilities

Carrier must maintain active authority, insurance, permits, qualified drivers, and compliant equipment; review all load terms; perform transportation under the broker-carrier agreement and rate confirmation; report delays, accidents, claims, or cargo issues; and provide the signed POD and load documents promptly.

7 No guarantee

Nuvil Freight will use reasonable efforts but does not guarantee load availability, rates, revenue, profitability, broker payment, detention, layover, accessorial approval, or collection.

Authorization and Acceptance

This page gives Nuvil Freight only the authority needed to dispatch approved loads

8 Liability and confidentiality

Carrier remains responsible for transportation, cargo, drivers, equipment, safety, claims, and third-party liability. Each party will protect nonpublic business, rate, broker, tax, and account information. Nuvil Freight is not liable as a motor carrier. To the extent permitted by law, Carrier will indemnify Nuvil Freight for claims arising from Carrier's transportation operations, except to the extent caused by Nuvil Freight's fraud, willful misconduct, or gross negligence.

9 Term notices and governing law

This agreement continues month-to-month. Either party may terminate on 7 days' written notice, or immediately for material breach, unlawful conduct, inactive authority, unsafe operation, insurance lapse, fraud, or repeated nonpayment. Accepted loads, earned fees, confidentiality, indemnity, and unpaid invoices survive termination. Notices to Nuvil Freight must be sent to sales@nuvilfreight.com. Unless mandatory law requires otherwise, Rajasthan law applies and courts in Sri Ganganagar, Rajasthan have jurisdiction.

Carrier authorizes Nuvil Freight to

- ☐ Search load boards and communicate with licensed freight brokers for Carrier.
- ☐ Discuss rates, schedules, equipment, commodity, weight, detention, layover, and load terms.
- ☐ Submit Carrier's authority, insurance, W-9, NOA, and broker setup documents.
- ☐ Receive and send rate confirmations, load instructions, status updates, PODs, and invoicing documents.
- ☐ Sign a rate confirmation only after Carrier gives documented approval for that specific load.

Nuvil Freight is not authorized to

- Receive or control Carrier's freight payments.
- Take possession of cargo or operate Carrier's equipment.
- Accept an unapproved load, reassign a load, or broker it to another carrier.
- Sign loans, factoring agreements, insurance documents, tax forms, settlements, releases, or other contracts without separate written authority.

Duration

This authorization begins when Carrier signs and remains active while the Dispatch Service Agreement is active. Carrier may revoke it by written notice to sales@nuvilfreight.com. Revocation does not cancel an accepted load already in progress or fees already earned.

Carrier acceptance

Carrier confirms that the information provided is accurate, it has reviewed this 3-page package, it had the opportunity to obtain legal and tax advice, and it agrees to the Dispatch Service Agreement and Limited Authorization. Electronic signatures and copies may be treated as originals where permitted by law.
